PETITION TO WITHDRAW HOLDING OF ABANDONMENT

20 ATTN: OIPE Customer Service

Petition to the Director

Applicant respectfully requests a Petition to Withdraw the Holding of Abandonment
25 under 37 C.F.R. § 1.181(a) for the above reference application. Applicant received a
Notice of Abandonment because the Applicant allegedly did not file an Official Notice of
Appeal. However, Applicant mailed an Official Notice of Appeal on December 30, 2004
with the originally filed reply. Attached to this petition is a copy of the originally filed
reply and a properly itemized date-stamped postcard receipt, as required by MPEP §
30 711.03(c).

Also, prior to receiving the Notice of Abandonment, the Examiner notified the Applicant
that no Notice of Appeal was received by the Examiner. In response, Applicant sent
proof via facsimile to the Examiner that the Notice was sent, including the date-stamped
35 postcard, on December 19, 2006. The corresponding facsimile is attached. Afterwards,

the Applicant spoke with the Examiner and the matter appeared to be resolved.
Applicant subsequently received the Notice of Abandonment, dated January 23, 2007.

In response to the Notice of Abandonment, the Applicant spoke with the Examiner on
5 March 20, 2007 and the Examiner requested Applicant to again fax the proper documents
a second time. Applicant timely responded and sent the proper documents, including the
Notice of Appeal and postcard receipt, to the Examiner via facsimile on March 20, 2007.
The corresponding facsimile report is attached. Applicant confirmed with the Examiner
that the facsimile was received and the Examiner stated that a docket clerk would review
10 the documents and inform us on how to proceed. Applicant followed up with the
Examiner within the following week and the documents were still under review. Not
until April 5, 2007, was the Applicant told by the Examiner that a head examiner now
requests a Petition to Withdraw the Holding of Abandonment. As such, Applicant
requests a Petition to Withdraw the Holding of Abandonment at this time.

15 Under MPEP § 711.03(c), two additional procedures are available for reviving an
application that has become abandoned due to a failure to reply to an Office Action: (1) a
petition under 37 CFR 1.137(a) based on unavoidable delay; and (2) a petition under 37
CFR 1.137(b) based on unintentional delay. In the alternative to the Petition to Withdraw
20 the Holding of Abandonment, Applicant has attached the appropriate documents to file a
Petition for Revival of an Application Abandoned for Unintentional Delay.

Respectfully submitted,

Cary Tope-McKay

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
